Good afternoon clubs.

Gympie Camera Club will again be hosting SEQ next year. Please note dates as follows:

Competition opens - 9 January 2021.

Competition closes - 3 April 2021.

Judging - 17 April 2021.

I have attached an entry form (with lots of information) and entry labels. Could you please pass this info on to your members and remind them that it is important that all members print these labels and attach them to the bottom right of their prints.

Thank you very much, Gympie club is looking forward to hosting again next year and wishes your club well.

Kristina Benson
SECRETARY
